ALERTE AUX OBSTACLES AU COMMERCE

16/11/2017	En cours de résolution	Message du PFN le 16/11/2017: Dear Madam, Please find attached a reported trade obstacle falling under the purview of your Agency. We would be grateful if the necessary actions can be taken to resolve this issue. Relying on your usual collaboration. Thanks and Best Regards, The National Focal Point Réponse de l'agence compétente le 16/11/2017: Given the outbreak of the plaque disease in Madagascar, and following a meeting held at the Ministry of Health under the Chairmanship of the Hon. Minister of Health, an in an endeavour to collaborate to prevent the entry of this disease in Mauritius, it was agreed that the National Plant Ptotection Office will proceed with fumigation of consignments, arriving from Madagascar will be fumigated upon arrival. However, the NPPO is only undertake fumigation on consignment carrying products being regulated by the NPPO,that is plant ,plant products and some other regulated agricultural products.
